Overview

The **Additional Dial By Name Directories** page creates extra dial-by-name directories beyond the tenant default. Open it from **Configuration > Settings > Additional Dial By Name directories**.

The page works against the tenant currently selected in the top bar. The screenshots and demo rows were captured in the **Canistracci OIL** tenant.

Working with objects

Task	How to do it
Add	Select the New dial by name directory action, complete the form, and select Save.
Edit	Open the dial by name directory from the list by selecting its name, number, or row action. Change the form and select Save.
Delete	Select the row checkbox and use Delete Selected, or open the dial by name directory and select Delete, then confirm.

Page functions

Action	Description
New Dial By Name	Opens the creation form for a new dial by name.
Delete Selected	Deletes the selected rows after confirmation.

List columns

Column	Description
Name	Display name used in lists and references.
Description	Administrative note shown in lists and reports.
Numbers	Dialed value, identifier, or matching value used by the PBX.

Demo records

The tenant contains 1 documentation demo record for this page: Docs Demo Directory 1.

Deleting records

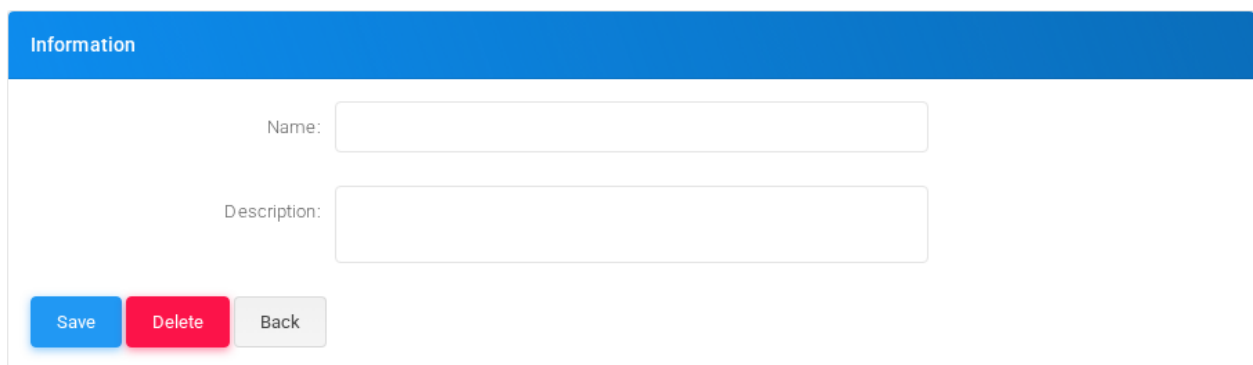

Before deleting a dial by name directory, check references from call flows, destinations, schedules, reports, or provisioning objects. MiRTA PBX asks for confirmation before the delete is submitted.

Create and Edit Additional Dial By Name Directories

Use this page when creating a new dial by name directory or editing an existing dial by name directory from **Configuration > Additional Dial By Name Directories**.

The form screenshots below are separated by block where the application exposes separate sections. Complete the required values, review routing or destination references, and save the record.

Add and edit form

The screenshot shows a form titled "Information" with a blue header. Below the header, there are two input fields: "Name:" and "Description:". At the bottom of the form, there are three buttons: "Save" (blue), "Delete" (red), and "Back" (grey).
